

The International Society for Urban Health
 Tel: (212) 822-7342 ♦ Fax: (212) 419-3612
www.isuh.org

Wednesday, October 20, 2004	
3:00 PM–9:00 PM	
3:00–7:00 PM CSC Atrium	Registration
5:00–8:00 PM EG Raytheon Amphitheater	The President Richard M. Freeland Reception for the Third International Conference on Urban Health <i>Sponsored by Stephen R. Zoloth, PhD, MPH – Dean, Bouvé College of Health Sciences, Northeastern University</i>
Thursday, October 21, 2004	
7:00 AM–6:00 PM	
“Priorities in Urban Health – Domestic & International Agendas”	
7:00–8:30 AM CSC Atrium	Registration
7:00–8:30 AM CSC Ballroom	Poster Setup
7:00–8:30 AM CSC Atrium	Breakfast
8:30 AM–12:00 PM BA	Opening Remarks and Welcome Hortensia Amaro, PhD – Conference Chair, Third International Conference on Urban Health; Director, Institute on Urban Health Research; Distinguished Professor, Bouvé College of Health Sciences, Northeastern University Ahmed T. Abdelal, PhD – Senior Vice President for Academic Affairs and Provost, Northeastern University The Honorable Thomas M. Menino – Mayor, City of Boston
	Plenary Session 1 A Global Perspective: Cross-National Pressures on Urban Health Fariyal F. Fikree, MD, MPH, DrPH – Director of Regional Health Programs, The Population Council (Cairo, Egypt) Cities Under Siege: The Impact of Intense Political Conflicts & Disasters on Urban Health Robert E. Fullilove III, EdD – Associate Dean for Community and Minority Affairs and Professor of Clinical Sociomedical Sciences, Mailman School of Public Health, Columbia University Development of New Urban Health Indicators: Methods & Models for Measuring Urban Health Sara McLafferty, PhD – Professor of Geography, University of Illinois at Urbana-Champaign Global Environmental Pressures & Climate Change: The Impact on Urban Health Paul R. Epstein, MD, MPH – Associate Director, Center for Health and the Global Environment and Instructor, Harvard Medical School
12:00–1:15 PM CSC Atrium	Lunch
12:00–1:15 PM CSC 342	Lunch Roundtable Session – Substance Use Issues & Urban Health Sponsored by the National Institute on Drug Abuse, National Institutes of Health
12:00–1:15 PM CSC 344	Lunch Roundtable Session – Mental Health Issues & Urban Health Sponsored by the National Institute of Mental Health, National Institutes of Health
12:00–1:15 PM CSC 348	Lunch Roundtable Session – Meet the Editors: Manuscripts to Journals David Vlahov, PhD – Director, Center for Urban Epidemiologic Studies, The New York Academy of Medicine; Professor of Clinical Epidemiology, Mailman School of Public Health, Columbia University; Editor-in-Chief, Journal of Urban Health John R. Ashton, CBE – North West Regional Director of Public Health and Regional Medical Officer, Liverpool, UK; Co-Editor, Journal of Epidemiology & Community Health

Center for Urban Epidemiologic Studies ♦ New York Academy of Medicine
 1216 Fifth Avenue New York, New York 10029

12:00–6:00 PM CSC Ballroom	Poster Session 1
1:30–3:00 PM	Concurrent Sessions Block 1
CSC 320	<p><u>A Global Perspective: Cross-National Pressures on Urban Health</u> Mark R. Montgomery, PhD – Senior Associate, Policy Research Division, Population Council, New York; Professor of Economics, State University of New York, Stony Brook Deborah Balk, PhD – Associate Research Scientist, the Center for International Earth Science Information Network (CIESIN) at Columbia University's Earth Institute; Lead Project Scientist for the NASA-funded Socioeconomic Data and Applications Center (SEDAC) Elliott D. Sclar, PhD – Professor and Director of Graduate Programs in Urban Planning, School of Architecture, Planning and Preservation (GSAP) and Professor of Public Affairs, School on International and Public Affairs (SIPA), Columbia University</p>
Egan 206	<p><u>Addressing Gender Differences in Health Care Utilization among Drug Users in Puerto Rico</u> María del Mar García, MSSW, MHS – Senior Clinician, Caribbean Basin & Hispanic Addiction Technology Transfer Center, Centro de Estudios en Adicción, Universidad Central del Caribe, Bayamon, Puerto Rico Tomas D. Matos, MS – Senior Analyst, Center for Addiction Studies, Universidad Central del Caribe, Bayamon, Puerto Rico</p>
CSC 318	<p><u>Cities Under Siege: Health Issues in Urban Areas Under Conflict</u> Diana Silimperi, MD – Principal Program Associate, Management Sciences for Health (MSH) Izzeldin Abuelaish, MD, MPH – Department of OB/GYN, Soroka University Medical Center, Gaza Jumana Odeh-Issawi, MD, MPH – Director, Palestinian Happy Child Centre (PHCC), Ramallah; Professor, Al Quids University Medical School and School of Public Health</p>
Egan 340	<p><u>Mental Health and Co-occurring Disorders in Urban Populations</u> Hortensia Amaro, PhD – Conference Chair for the Third International Conference on Urban Health; Director, Institute on Urban Health Research; Distinguished Professor, Bouvé College of Health Sciences, Northeastern University Haroutune K. Armenian, MD, DrPH – Professor of Epidemiology, Johns Hopkins Bloomberg School of Public Health Sandro Galea, MD, MPH, DrPH – Medical Epidemiologist and Associate Director, Center for Urban Epidemiologic Studies, New York Academy of Medicine</p>
CSC 346	<p><u>Monitoring & Mapping Social Disparities in Urban Health</u> Nancy Krieger, PhD – Associate Professor of Public Health, Department of Society, Human Development, and Health, Harvard School of Public Health; Associate Director, Harvard Center for Society and Health Jarvis T. Chen, ScD – Research Scientist, Department of Society, Human Development and Health, Harvard School of Public Health Bruce Cohen, PhD – Director, Division of Research and Epidemiology, Bureau of Health Statistics, Research and Evaluation, Massachusetts Department of Public Health; Acting Director, Center for Health Information and Statistics Mary K. Ostrem, DrPH – Director, Research Office, Boston Public Health Commission David H. Rehkopf, MPH – Doctoral candidate, Department of Society, Human Development and Health, Harvard School of Public Health Pamela D. Waterman, MPH – Project Director, Department of Society, Human Development and Health, Harvard School of Public Health</p>
CSC 322	<p><u>New Strategies for Addressing Mental Health Service Disparities with Ethnic and Racial Minorities</u> Margarita Alegria, PhD – Director, Center for Multicultural Mental Health Research; Professor of Psychiatry, Harvard Medical School Lisa Fortuna, MD, MPH – Scientific Associate, Center for Multicultural Mental Health Research, Cambridge Health Alliance; Clinician–teacher, Department of Child Ambulatory Psychiatry Norah Mulvaney-Day, PhD – Associate Director, Center for Multicultural Mental Health Research, Cambridge Health Alliance Myra Rosen-Reynoso, PhD – Post-Doctoral Fellow, Center for Multicultural Mental Health Research, Cambridge Health Alliance</p>
CSC 442	<p><u>The Interdisciplinary Nature of Urban Health – HIV/AIDS & Drugs</u> Jeffrey H. Samet, MD, MA, MPH – Professor of Medicine and Social and Behavioral Sciences and primary care physician, Boston Medical Center; Chief, Section of General Internal Medicine, Boston University School of Medicine Anita Palepu, MD, MPH, FRCPC – Assistant Professor of General Internal Medicine, University of British Columbia; Faculty Associate, Centre for Health Evaluation and Outcome Sciences Steven Shoptaw, PhD – Associate Research Psychologist, Integrated Substance Abuse Programs (ISAP), University of California, Los Angeles Rochelle P. Walensky, MD, MPH – Clinical infectious disease physician, Massachusetts General and Brigham and Women's Hospitals</p>
Dodge 450A	<p><u>The Interdisciplinary Nature of Urban Health – Patterns of International and U.S. Firearms Trafficking and Potential Policy Approaches to the Control of Firearms Violence</u> Glenn Pierce, PhD – Principal Research Scientist, College of Criminal Justice, Northeastern University Anthony Braga, MPA, PhD – Senior Research Associate, Program in Criminal Justice Policy and Management, Malcolm Wiener Center for Social Policy, John F. Kennedy School of Government, Harvard University Timothy N. Gildea, PhD – Special Agent, U.S. Department of Homeland Security, Office of Immigration and Customs Enforcement; Graduate Program in Law, Policy & Society, Graduate School of Arts and Sciences, Northeastern University Jack McDevitt, MPA – Associate Dean for Research and Graduate Studies and Director, Institute on Race and Justice,</p>

	College of Criminal Justice, Northeastern University
Egan 440	<p><u>The Science and Politics of Developing Municipal Agendas for Health</u> Nicholas Freudenberg, PhD – Distinguished Professor and Director, Program in Urban Public Health, Hunter College, City University of New York Adam Karpati, MD, MPH – Assistant Commissioner, New York City Department of Health and Mental Hygiene Randy Reiter, PhD, MPH – Community Health Epidemiologist, Department of Public Health, San Francisco, California</p>
CSC 444	<p><u>Vulnerable Populations in Two World Cities: New York and Paris</u> Victor G. Rodwin, PhD – Director, World Cities Project, International Longevity Center-USA; Professor of Health Policy and Management, Robert F. Wagner Graduate School of Public Service, New York University Pierre Chauvin, MD, PhD, DSc – Director, Equipe Avenir "Déterminants sociaux de la santé et du recours aux soins," National Institute of Health and Medical Research (INSERM U444), Paris, France Isabelle Grémy, MD, MPH, MSc, DrPH – Director, Observatoire Régional de Santé d'Île-de-France, Paris, France Michael K. Gusmano, PhD – Assistant Professor of Health Policy and Management, Columbia Mailman School of Public Health; Associate Director, World Cities Project, International Longevity Center-USA; Director of Research, Alliance for Health and the Future Isabelle Parizot, PhD – Research Director, Equipe Avenir "Déterminants sociaux de la santé et du recours aux soins", National Institute of Health and Medical Research (INSERM U444), Paris, France Alfred Spira, MD, PhD – Professor of Public Health and Epidemiology, School of Medicine, Paris XI University; Head, Department of Public Health and Epidemiology, Bicetre Hospital, Bicetre, France</p>
1:30–3:00 PM	Submitted Abstract Sessions Block 1
CSC 340	<p><u>Alcohol, Tobacco & Substance Abuse I</u> Facilitator: Elizabeth T. Golub, PhD, Assistant Scientist, Department of Epidemiology, Johns Hopkins Bloomberg School of Public Health – "Distributive Syringe Sharing among Young Injection Drug Users in Five U.S. Cities" Kevin C. Heslin, PhD, Assistant Professor, Research Centers in Minority Institutions, Charles R. Drew University of Medicine and Science – "Provision of substance abuse and other health services by U.S. congregations" Norma Ware, PhD, Associate Professor, Department of Social Medicine, Harvard Medical School – "Patterns of adherence to HAART among active users of illegal drugs"</p>
Dodge 450B	<p><u>Built & Social Environments I</u> Facilitator: Rebecca Flournoy, MPH, Senior Program Associate, PolicyLink – "Reducing Environmental Triggers of Asthma through Community Engagement and Policy Change: A Case Study from California" Richard H. Glazier, MD, MPH, Inner City Health Research Unit, St. Michael's Hospital – "Income Gradients in Elective Surgery in an Urban Universal Health Care Setting" Tej Kumar Karki, MSc, BArch, Town Controller, Kathmandu Valley Town Development Committee – "Environmental Implications of urban poverty in the squatter settlements of Kathmandu Valley" Lynne C. Messer, MPH, Doctoral Student, Department of Epidemiology, School of Public Health, University of North Carolina – "Proximity of neighborhood crime and risk of preterm birth"</p>
Egan 306	<p><u>Built & Social Environments II</u> Facilitator: Peter Gozdyra, MA, Inner City Health Research Unit, St. Michael's Hospital – "Access to Psychiatric Services by Public Transit in a Concentrated Urban Setting" Paul L. Robinson, PhD, RCM/Health Services Research Center, Charles R. Drew University of Medicine And Science – "Homicide Clusters in Los Angeles County: Unemployment, Ethnic Transition and Gang Territoriality" Michael Shin, PhD, Assistant Professor of Geography, UCLA; Co-Director for GIS Studies at the Southern California Injury Prevention Research Center, UCLA School of Public Health – "Socio-geographic inequalities in pedestrian collisions in Los Angeles"</p>
CSC 448	<p><u>Health in a Global Context</u> Facilitator: Sandra Cointreau, Solid Waste Management Advisor, The World Bank – "Occupational and Environmental Health Issues of Solid Waste Management in Developing Countries" Ms. Chandra Laxmi Hada, Architect, Civil Homes Pvt. Ltd. Soaltee Mode, Rabibhawan, Mathuri Sadan, Kathmandu, Nepal – "Bhaktapur Development Project (BDP) as an Intervention for Improving the Urban Health Situation in Bhaktapur, Nepal" Joseph Kamoga, HIV/AIDS National Program Officer for the UN resident coordinator system in Uganda – "Interventions for Improving Health Experiences with Integrated Health Promotion Models in Uganda, NO" Kenneth S. Thompson, MD – Community Psychiatrist and Assistant Professor of Psychiatry, Department of Psychiatry, University of Pittsburgh – "Connecting and Comparing "Shrinking Cities": the Dialogue on Health Equity in Post Industrial Cities"</p>
Egan 406	<p><u>Homelessness I</u> Facilitator: Toby Druce, Partners in Time – "Mobile Case Management: Bringing higher degrees of data collection to mobile case management teams for the homeless" Tracy L. Durrah, DrPH, Assistant Professor, Mailman School of Public Health, Columbia University – "Racial/Ethnic Differences and Early Homelessness" James J. O'Connell, MD, Boston Health Care for the Homeless Program – "Caring for Boston's Rough Sleepers: four</p>

	year outcomes of a novel primary care service delivery model for Boston's street dwellers, 2000-2003"
Dodge 450C	<p><u>Marginalized & Disadvantaged Populations I</u> Facilitator: Alice Cepeda, PhD, Senior Researcher, University of Houston, Office for Drug and Social Policy Research – "Public Health Issues Among Mexican Sexoservidoras (Sex Workers) on the US - Mexico Border" Hongyun Fu, MA, Urban Health Services PhD Program, College of Health Sciences, Old Dominion University – "Potential contribution of temporary migration to high-risk environments for HIV in China" Caitlin Johnston, BA, Chair, Board of Directors, Asian Society for the Intervention of AIDS – "Community Partnership in Health Service Outreach and Research Targeting Asian Female Sex Workers in Vancouver, British Columbia: The ORCHID Project (Outreach and Research in Community Health Initiatives and Development)" Arnoud P. Verhoeff, DSc – Head, Municipal Health Service, Department of Epidemiology, Documentation and Health Promotion, City of Amsterdam, The Netherlands – "Improving access and quality of primary health care for migrants in the city of Amsterdam: Migrant health educators bridging the gap between patients and general practitioners"</p>
CSC 433	<p><u>Marginalized & Disadvantaged Populations II</u> Facilitator: Paul Caulford, MD, Chief of Family Medicine and Director of Community Services, Scarborough Hospital – "Lack of Health Insurance in Immigrants and Refugees in Toronto, Canada" Nathaly Herrel, MSc, Project Coordinator, Somali Health Care Initiative, Minnesota International Health Volunteers (MIHV) – "Eliminating health disparities within Minnesota's Somali refugee population: A community-based approach" Jihad Makhoul, DrPH, Assistant Professor, Department of Health Behavior and Education, The American University of Beirut – "Youth caught between community and country: the case of Beirut suburbs"</p>
CSC 440	<p><u>Political Conflict, Disaster & Public Health I</u> Facilitator: Robert Brackbill, PhD, MPH, Principal Investigator, WTC Health Registry, Bureau of Surveillance, New York City Department of Health and Mental Hygiene – "Characterization of Exposure Among Individuals Who Were South of Chambers Street on September 11th - Data from the World Trade Center Health Registry (WTCHR)" Laura DiGrande, MPH, City Research Scientist, WTC Health Registry, Bureau of Surveillance, New York City Department of Health and Mental Hygiene – "Characterization of September 11th Exposure-Related Events Among Lower Manhattan Residents in the World Trade Center Health Registry" Marwan Khawaja, PhD, Associate Professor & Director, Center for Research on Population and Health, Faculty of Health Sciences, American University of Beirut, Lebanon – "Impoverishment and Urban Health in Outer Beirut: Findings from the Urban Health Study"</p>
3:00–3:30 PM	Break
3:30–5:00 PM	Concurrent Sessions Block 2
CSC 318	<p><u>Childhood and Adolescent Obesity in Urban Populations: Prevention, Interventions, and Policy</u> Debra L. Franko, PhD – Associate Professor, Department of Counseling and Applied Educational Psychology, Bouvé College of Health Sciences, Northeastern University Alison E. Field, DSc – Assistant Professor of Medicine, Harvard Medical School; Associate Epidemiologist, Department of Medicine, Brigham and Women's Hospital Lynn L. Moore, DSc – Associate Professor, Department of Medicine, Boston University School of Medicine</p>
CSC 320	<p><u>Health Economic Approaches to Studying Urban Health Problems</u> Pinka Chatterji, PhD – Health Economist, Center for Multicultural Mental Health Research, Cambridge Health Alliance/Harvard Medical School Alison Evans Cueller, PhD – Assistant Professor, Department of Health Policy and Management, Columbia Mailman School of Public Health Dhaval Dave, PhD – Assistant Professor, Department of Economics, Bentley College</p>
CSC 444	<p><u>Interdisciplinary Curricula for the Built Environment & Health</u> Mary E. Northridge, PhD, MPH – Associate Professor of Clinical Sociomedical Sciences, Columbia Mailman School of Public Health; Editor-in-Chief, American Journal of Public Health Howard Frumkin, MD, DrPH, FACP, FACOEM – Professor and Chair, Department of Environmental and Occupational Health, Rollins School of Public Health, Emory University; Professor of Medicine, Emory Medical School Michael R. Greenberg, PhD – Professor and Director, National Center for Neighborhood and Brownfields Redevelopment, and Associate Dean of the Faculty, Edward J. Bloustein School of Planning and Public Policy, Rutgers, The State University of New Jersey Elliott D. Sclar, PhD – Professor and Director of Graduate Programs in Urban Planning, School of Architecture, Planning and Preservation (GSAP) and Professor of Public Affairs, School on International and Public Affairs (SIPA), Columbia University</p>
CSC 322	<p><u>Reproductive Health Issues in Urban Populations</u> Claudia Diaz-Olavarrieta, PhD – Regional Program Associate, Population Council, Mexico City, Mexico Angel Foster, PhD – Associate, Ibis Reproductive Health, Cambridge, MA Anita Raj, PhD – Assistant Professor of Social and Behavioral Sciences, Boston University School of Public Health Jay Silverman, PhD – Assistant Professor of Society, Human Development and Health, Harvard School of Public Health</p>
Dodge 450A	<p><u>Serving the Urban Underserved</u> Lee Strunin, PhD – Professor, Social and Behavioral Sciences Department; Deputy Director, Prevention Research</p>

	<p>Center, Boston University School of Public Health Michele M.A. David, MD, MBA, MPH – Assistant Professor, Boston University School of Medicine; Staff physician, Section of General Internal Medicine, Boston Medical Center; Co-director, Haitian Health Institute Michelle Henshaw, DDS, MPH – Director of Community Health Programs and Associate Professor, Department of Health Policy and Health Services Research, Boston University School of Dental Medicine H. Patricia Hynes, MS – Professor, Department of Environmental Health, Boston University School of Public Health</p>
CSC 440	<p><u>Teaching Urban Health: A Participatory Workshop</u> Nicholas Freudenberg, PhD – Distinguished Professor and Director, Program in Urban Public Health, Hunter College, City University of New York</p>
Dodge 450B	<p><u>The Effects of Metropolitan & Neighborhood Environment on Urban Health Indicators</u> Dolores Acevedo-Garcia, MPA-URP, PhD – Assistant Professor, Department of Society, Human Development, and Health, Harvard School of Public Health Rebecca Morley, MSPP – Executive Director, National Center for Healthy Housing Susan Saegert, PhD – Professor of Environmental Psychology and Director, Center for Human Environments, Graduate Center, City University of New York Stockton Williams, MSc – Vice-President for Public Policy, The Enterprise Foundation, Washington, D.C.</p>
Dodge 450C	<p><u>The Impact of Drug-Related Policies on Urban Drug Use</u> Sam R. Friedman, PhD – Senior Research Fellow and Director, Social Theory Core in the Center for Drug Use and HIV Research, National Development and Research Institutes (NDRI) Zita Lazzarini, JD, MPH – Assistant Professor and Director, Division of Medical Humanities, University of Connecticut Health Center Martin T. Schecter, MA, MD, MSc, PhD – Professor and Head, Department of Health Care and Epidemiology, University of British Columbia Graciela Touzé, MS – President, Intercambios Asociacion Civil, Argentina</p>
Egan 440	<p><u>The Interdisciplinary Nature of Urban Health – Asthma</u> Dharma E. Cortés, PhD – Instructor and Research Associate, Cambridge Health Alliance/Harvard Medical School; Senior Research Associate, Mauricio Gastón Institute for Latino Community Development and Public Policy, University of Massachusetts, Boston Barbara G. Bokhour, PhD – Research health psychologist, Center for Health Quality, Outcomes and Economic Research (CHQOER); Assistant Professor of health services, Boston University School of Public Health Ginger L. Chew, ScD – Assistant Professor, Department of Environmental Health Sciences, Columbia University Mailman School of Public Health Elizabeth L. McQuaid, PhD – Staff Psychologist, Children's Hospital/Rhode Island Hospital; Program Director, CVS/pharmacy Draw A Breath Program</p>
3:30–5:00 PM	Submitted Abstract Sessions Block 2
CSC 206	<p><u>Alcohol, Tobacco & Substance Abuse II</u> Facilitator: Alexis N. Martinez, PhD, Urban Health Studies, University of California at San Francisco – “Gender Differences and the Impact of Arrests on HIV Risk Behaviors of IDUs in California, 2001-2003” Michelle McKenzie, MPH, Department of Immunology, The Miriam Hospital, Providence, RI – “Project MOD: Linking recently released inmates with opiate addiction to methadone treatment” Beth Schwartzapfel, BA, The Miriam Hospital/Brown Medical School, Providence, RI – “Prevalence and characteristics of overdose among persons recently released from prison”</p>
Egan 306	<p><u>Alcohol, Tobacco & Substance Abuse III</u> Facilitator: Hannah Cooper, ScD, Post-Doctoral Fellow, National Development and Research Institutes – “The Multiple Dimensions of Residential Segregation and Racial/Ethnic Disparities in Injection Drug Use in 94 Metropolitan Areas” Julie R. Kraut-Becher, PhD, Research Associate, University of Pennsylvania, Center for Studies of Addiction – “Associations Between Geographic Measures and HIV Risk Behaviors Among Injection Drug Users” Carlos Magis, MD, MPH, Director of Epidemiology, CENSIDA – “Correlates of Receptive Needle Sharing among Injection Drug Users (IDUs) in the US-Mexican Border City of Tijuana”</p>
CSC 448	<p><u>Built & Social Environments III</u> Facilitator: Alice Furumoto-Dawson, PhD, Research Associate, Department of Society, Human Development & Health, Harvard School of Public Health – “What's Race Got to Do with It? Urban Sprawl, Sick Cities, Unsustainable Development: Race and the Political Economy of Urban Health and the Built Environment in America” Charles A. Latkin, PhD, Associate Professor, Faculty of Social and Behavioral Sciences, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health – “Predictors of perceived neighborhood disorder in an inner-city environment” Russ Lopez, MCRP, ScD, Research Associate, Boston University School of Public Health, Department of Environmental Health – “The Metropolitan Environment and Health: The Impact of Income Inequality, Racial Segregation and Urban Sprawl on the Risk of Physical Inactivity” Patricia O'Campo, PhD, Inner City Health Research Unit, St. Michael's Hospital – “Neighborhood Influences and Intimate Partner Violence: Does Geographic Location Affect Perceptions?”</p>
CSC 442	<p><u>Comorbidity</u> Facilitator:</p>

	<p>Rahul Hamid, National Development and Research Institutes – “Intimate Partner Violence and HIV Risk among Drug Using Women in East Harlem”</p> <p>Upinder K. Jodhka, Department of Epidemiology, Infectious Disease Program, Johns Hopkins Bloomberg School of Public Health – “Residential Instability and HIV Seroconversion among Urban Injection Drug Users”</p> <p>Thomas L. Patterson, PhD, Professor, Department of Psychiatry, University of California, San Diego – “Correlates of Polydrug Use Among Methamphetamine-using HIV-positive Men who have sex with Men”</p> <p>Anita Raj, PhD, Assistant Professor of Social and Behavioral Sciences, Boston University School of Public Health – “Sex Trade, Sexual Risk and Non-disclosure of HIV Serostatus: Findings from HIV-Infected Persons with a History of Alcohol Problems”</p>
Egan 406	<p>HIV/AIDS Facilitator: Adewale Alabi, MBBS, Executive Director, Combat AIDS Africa, Consultant to the National Assembly of the Federal Republic of Nigeria on HIV/AIDS related issues – “Reaching the Unreached HIV/AIDS Orphans in Urban Slums, Lagos, Nigeria”</p> <p>Roel A. Coutinho, MD, PhD – Director, Municipal Health Service of Amsterdam, The Netherlands; Professor of Epidemiology and Prevention of Infectious Diseases, University of Amsterdam – “The Role of HAART in the rise of risk behavior, STIs and HIV among homosexual men in Amsterdam”</p> <p>Andrea R. Fuhrel, PhD, University of Connecticut, Department of Psychology, Center for Health Intervention/HIV Prevention – “Poverty-Related Stressors and HIV/AIDS Transmission Risks in Two South African Communities”</p>
CSC 340	<p>Homelessness II Facilitator: Shirley Chau, MSW, PhD (candidate), Faculty of Social Work, University of Toronto; Inner City Health Research Unit, St. Michael's Hospital – “The Health Status of Homeless Youth in Toronto”</p> <p>Wendy Muckle, RN, BSCN, MHA, Director, Ottawa Inner City Health Project – “Promoting Social Inclusion through a Harm Reduction Approach”</p> <p>Joyce C. Pressley, PhD, MPH, Assistant Professor, Mailman School of Public Health, Columbia University – “Serious Injury and Illness among the Homeless and Housed: A Comparative Analysis of Children, Adults, and Elderly Living in New York City”</p>
CSC 346	<p>Marginalized & Disadvantaged Populations III Facilitator: Teresita Camacho-Gonsalves, PhD, Program Manager, Human Services Research Institute – “The Cultural Acceptability of Treatment Survey (CATS): Measuring Cultural Competency from a Recipient Perspective”</p> <p>Kevin C. Heslin, PhD, Assistant Professor, Research Centers in Minority Institutions, Charles R. Drew University of Medicine and Science – “Racial and ethnic disparities in access to physicians with HIV-related expertise: Findings from a nationally representative study”</p> <p>M. Barton Laws, PhD, MA, Senior Investigator in Social Science and Policy, Latin American Health Institute – “Missing the point: Case studies in medicine out of context”</p> <p>Enke Myagmarjav, MD, MPH, Institute for Community Health – “Do immigrants receive less preventive screening than the US-born?”</p>
CSC 433	<p>Methods and Statistical Analysis in Urban Health Research Facilitator: Brent Berry, PhD, Assistant Professor, Department of Sociology, University of Toronto – “A Visual Ecometric Capture-Recapture Approach for Estimating the Population of Street People in Downtown Toronto, Ontario”</p> <p>Toby Druce, Partners in Time – “Logistics Mapping in Peel Region: An attempt to understand the complex inter-relationships of providers of service to the chronically homeless”</p> <p>Toby Druce, Partners in Time – “Space-Time Analyses of Homeless Persons in Peel Region: An attempt to understand the relationships of homeless persons to the physical environment”</p> <p>Flora I. Matheson, PhD, Sociologist/Fellow, Inner City Health Research Unit, St. Michael's Hospital – “Modeling the Ripple Effect of Suicidal Behavior using Dynamic Simultaneous Equation Modeling”</p>
Egan 340	<p>Political Conflict, Disaster & Public Health II Facilitator: Dr. (Mrs) Vikas K. Desai, Professor And Head, Community Medicine Department, Government Medical College, Gujarat State, India – “Partnership for Urban Health - A Case Study”</p> <p>Robyn R.M. Gershon, MHS, DrPH, Associate Professor, Mailman School of Public Health, Columbia University – “Organizational Interventions to Improve Evacuation from High Rise Building Occupancies”</p> <p>Angela B. Josiah, National Youth Chairman, Sierra Leone Red Cross Society – “The Activities of, and Challenges Facing, the RedCross Society in Sierra Leone”</p>
<p>Friday, October 22, 2004 7:00 AM–6:00 PM</p>	
<p>“Meeting the Challenge: Building Urban Health Infrastructure”</p>	
<p>7:00–8:30 AM CSC Atrium</p>	<p>Registration</p>
<p>7:00–8:30 AM CSC Ballroom</p>	<p>Poster Setup</p>

7:00–8:00 AM CSC McLeod Suites (CSC 318-320-322)	ISUH Member Breakfast Meeting
7:00–8:30 AM CSC Atrium	Breakfast
8:30 AM–12:00 PM BA	ISUH Award Announcement Announcer – David Vlahov, PhD
	Student Award Announcements Announcer – Hortensia Amaro, PhD
	Plenary Session 2
	<p>Reducing Urban Health Disparities H. Jack Geiger, MD, MSc Hyg, ScD (hon) – Arthur C. Logan Professor Emeritus of Community Medicine, City University of New York Medical School; Visiting Professor of Epidemiology, Columbia Mailman School of Public Health</p> <p>The Impact of New Demands on Urban Public Health Infrastructure Roel A. Coutinho, MD, PhD – Director, Municipal Health Service of Amsterdam, The Netherlands; Professor of Epidemiology and Prevention of Infectious Diseases, University of Amsterdam</p> <p>Community-Based Research Partnerships: Challenges & Opportunities Meredith Minkler, DrPH – Professor of Health and Social Behavior, School of Public Health, University of California at Berkeley</p> <p>A New Research Agenda for Urban Health David Vlahov, PhD – Director, Center for Urban Epidemiologic Studies, The New York Academy of Medicine; Professor of Clinical Epidemiology, Mailman School of Public Health, Columbia University; Editor-in-Chief, Journal of Urban Health</p>
12:00–1:15 PM CSC Atrium	Lunch
12:00–1:15 PM CSC 342	Lunch Roundtable Session – Substance Use Issues & Urban Health Sponsored by the National Institute on Drug Abuse, National Institutes of Health
12:00–1:15 PM CSC 344	Lunch Roundtable Session – Mental Health Issues & Urban Health Sponsored by the National Institute of Mental Health, National Institutes of Health
12:00–6:00 PM CSC Ballroom	Poster Session 2
1:30–3:00 PM	Concurrent Sessions Block 3
CSC 318	<p><u>Contextual Influences on Health in Urban Settings</u> S.V. Subramanian, PhD – Assistant Professor, Department of Society, Human Development, and Health, Harvard School of Public Health Geetanjali Datta, ScD – Kellogg Health Disparities Scholar, Harvard School of Public Health Enrico Marcelli, PhD – Assistant Professor of Economics, University of Massachusetts, Boston; Robert Wood Johnson Health & Society Scholar, Harvard University School of Public Health Theresa L. Osypuk, MSP – Doctoral candidate, Department of Society, Human Development, and Health, Harvard School of Public Health</p>
CSC 320	<p><u>Development of New Urban Health Indicators: Methods & Models</u> Javier Mignone, PhD – Research Associate, Centre for Aboriginal Health Research, Faculty of Medicine, and Assistant Professor, Department of Community Health Sciences, University of Manitoba Mindy Thompson Fullilove, MD – Professor of Clinical Psychiatry and Public Health, Columbia University; Research Psychiatrist, New York State Psychiatric Institute Kenneth S. Thompson, MD – Community Psychiatrist and Assistant Professor of Psychiatry, Department of Psychiatry, University of Pittsburgh</p>
CSC 322	<p><u>Drug Abuse and Co-occurring Disorders in Urban Populations</u> Sandro Galea, MD, MPH, DrPH – Medical Epidemiologist and Associate Director, Center for Urban Epidemiologic Studies, New York Academy of Medicine Hortensia Amaro, PhD – Conference Chair for the Third International Conference on Urban Health; Director, Institute on Urban Health Research; Distinguished Professor, Bouvé College of Health Sciences, Northeastern University Danielle Ompad, MHS, PhD – Investigator, Center for Urban Epidemiologic Studies, The New York Academy of Medicine.</p>
CSC 333	<p><u>Health Literacy and Urban Health</u> Dharma E. Cortés, PhD – Instructor and Research Associate, Cambridge Health Alliance/Harvard Medical School; Senior Research Associate, Mauricio Gastón Institute for Latino Community Development and Public Policy, University of Massachusetts, Boston Therese M. O'Neil-Pirozzi, ScD, CCC-SLP – Associate Professor, Speech-Language Pathology and Faculty Scholar,</p>

	<p>Institute on Urban Health Research, Bouvé College of Health Sciences, Northeastern University Anthony G. Capon, BMedSc, MBBS, PhD, FAFPHM – Medical Officer of Health, Western Sydney Area Health Service, Australia Linda Shohet, PhD – Founder and Executive Director, The Centre for Literacy of Quebec, Montreal, Canada</p>
Dodge 450A	<p><u>Human Rights Evaluation of Urban Health Disparities</u> Shan D. Mohammed, MD, MPH – Associate Director and Assistant Professor, MPH Program, Case School of Medicine, Cleveland, Ohio; Robert Wood Johnson Fellow in the Developing Leadership in Reducing Substance Abuse Fellowship Daniel N. Abrahamson, JD – Director of Legal Affairs, The Drug Policy Alliance and The Center for Policy Reform; Adjunct Professor of Law, Boalt Hall, University of California, Berkeley Mindy Jane Roseman, JD, PhD – Instructor, Department of Population and International Health and Senior Research Officer, International Health and Human Rights Program, François-Xavier Bagnoud Center for Health and Human Rights, Harvard School of Public Health</p>
Dodge 450B	<p><u>Mobilizing Urban Communities to Improve the Health and Well-Being of Immigrants and Disenfranchised Groups</u> Lynn Babington, PhD, RN – Associate Professor, School of Nursing, Bouvé College of Health Sciences, Northeastern University Catherine O'Connor, MSN, ACRN – Clinical Director, HIV Innovations and Instructor, School of Nursing, Bouvé College of Health Sciences, Northeastern University Sherri Torjman – Vice-President, Caledon Institute of Social Policy; Co-Chair, Technical Advisory Committee on Disability Tax Measures, Canada</p>
CSC 346	<p><u>Models of Community-Research Partnerships</u> Lina M. Lundgren, PhD – Associate Professor, Social Welfare Policy; Director, Center on Work and Family, School of Social Work, Boston University Alex J. Allen, III, MSA – Vice President, Community Planning and Research, Isles, Inc., Trenton, NJ Humberto Carolo, Hon BA – Youth Community Development Coordinator, AIDS Committee of Toronto, Canada Ric Curtis, PhD – Chair and Associate Professor, Department of Anthropology, John Jay College of Criminal Justice, City University of New York Barbara Israel, DrPH – Professor of Health Behavior and Health Education, University of Michigan School of Public Health Robb Travers, PhD (candidate) – Director of Research, Wellesley Central Health Corporation, Toronto, Canada</p>
Egan 440	<p><u>The Impact of Disinvestment, New Demands and Local-Regional Governance on Urban Public Health Infrastructure</u> Jean Flatley McGuire, PhD – Lorraine Snell Visiting Professor, Institute on Urban Health Research, Bouvé College of Health Sciences, Northeastern University John Auerbach, MBA – Executive Director, Boston Public Health Commission Harold D.
