

09:00/12:00 – PRE-CONFERENCE WORKSHOPS

PWKSP 1 Promoting Healthy Urban Environments Through Environmental Justice

Room: MacKenzie

Jeffrey Masuda, Vancouver Canada; Trevor Hancock, Victoria, Canada; Theresa McClenaghan, Toronto, Canada; Tim Lambert, Victoria, Canada; Bruce Newbold, Hamilton, Canada; Ray Copes, Vancouver, Canada

PWKSP 2 Urban Health and Sustainable Cities - The Nexus

Room: Seymour

Tony Capon, Canberra, Australia; Gary Lawrence, Seattle, United States; Ulli Weisz, Vienna, Austria; Lyndall Strazdins, Canberra, Australia

PWKSP 3 EURO-URHIS: The Use and Abuse of Urban Health Indicator

Room: Cypress 1

Arnoud Verhoeff, Amsterdam, Netherlands; Arpana Verma, Manchester, UK; Lesley Patterson, Manchester, UK; Katy Harrison, Manchester, UK; Will Morton, Manchester, UK; Pete Morgan, Manchester, UK; Gary Clough, Manchester, UK

PWKSP 4 City-to-City Learning: Strategies for Intersectoral Partnership Building that Encourage Crossing Boundaries

Room: Cypress 2

Gordon Feller, California, United States; Charles Kelly, Vancouver, Canada

PWKSP 5 Media Literacy and Media Advocacy for Healthier Public Policy

Room: Oak 1

Charles-Antoine Rouyer, Toronto, Canada; Jim Frankish, Vancouver, Canada; Michael Hayes, Vancouver, Canada

CONFERENCE PROGRAM TIMETABLE

WEDNESDAY, OCTOBER 29th, 2008

BUSINESS MEETINGS

Time: 10:00/11:30
Meeting: WHO Roundtable Discussion
- Global Report on Urbanization and Health 2010 (Invitation Only)
Room: Oak 2

Time: 12:00/13:00
Meeting: ISUH Executive Meeting
Room: Coquitlam

13:30/15:00 – OPENING PLENARY SESSION

PLS 1 **Plenary Session/Opening Ceremony**
Room: Grand Ballroom ABC

14:00/14:30
Keynote Speaker
Jo Ivey Boufford, New York City, United States

15:00/15:30 - NUTRITION BREAK/EXHIBIT VIEWING

Grand Ballroom Foyer
SPONSORED BY THE DAVID SUZUKI FOUNDATION

15:30/17:00 – CONCURRENT SESSIONS

**CS 1.1 Urban Social Environment and Health / Neighbourhood
Level Influences on Health**

Room: MacKenzie
Chair: Jean Shoveller

15:30/15:42

The research alliance for Canadian homelessness, housing and health (REACH3)
Stephen Wesley Hwang, Toronto, Canada

15:42/15:54

Access to and level of information on health care and nutrition among extremely poor people in urban Bangladesh
Asfia Azim, Dhaka, Bangladesh

15:54/16:06

Focus on social determinants of health and equity at the U.S. Centers for Disease Control and Prevention (CDC): Moving the Agenda forward
Marilyn M Metzler, Atlanta, United States

16:06/16:18

Perceptions of neighborhood social disorder and HIV risk in New York City
Danielle Ompad, New York, United States

16:18/16:30

Housing and precariousness: Lone mothers on income assistance quest for a home
Penny Gurstein, Vancouver, Canada; Mary Russell, Vancouver, Canada

16:30/16:42

Do neighbourhood effects on child mental health depend on who rates the outcome? Exploring differences between children's and parents' reports of child depression
Nicole Schaefer-McDaniel, Toronto, Canada

16:42/16:54

Spatial analysis of neighborhood stability and HIV incidence in the Portland, Oregon metropolitan area
Gretchen A. Luhr, Portland, United States

16:54/17:06

Neighborhood-level determinants of obesity in New York City
Jennifer Black, New York City, United States

CONFERENCE PROGRAM TIMETABLE

WEDNESDAY, OCTOBER 29th, 2008

CS 1.2 **Aging and Health in Urban Settings / Diversity and Urban Health**

Room: Seymour
Chair: John Beard

15:30/15:42

Realizing the role of older people in urban emergencies and disasters: Age-friendly learning from the Great Hanshin Awaji Earthquake
Jacob Kumaresan, Kobe, Japan

15:42/15:54

Social capital and health and well-being of elderly Chinese immigrants in Canada
Daniel W.L. Lai, Calgary, Canada

15:54/16:06

Designing against falls: Impact of the built environment on older adult falls
Sherrill Johnson, Edmonton, Canada

16:06/16:18

Health status and access to health care for aboriginal people who are homeless in Toronto, Canada
Ashley M Heaslip, Toronto, Canada

16:18/16:30

Reaching sex workers and patrons of sex workers: An on-line sexual health education and referral service
Derek C Kline, Vancouver, Canada

16:30/16:42

The Vancouver youth drug reporting system: Finding differing drug prevalence and reasons for use among ethno-cultural youth populations
Ajay K Puri, Vancouver, Canada; Clifton Chow, Vancouver, Canada; Cameron Duff, Vancouver, Canada

16:42/16:54

Exploring partner violence and its association with HIV status among a diverse sample of racial and sexual minorities
Jessica G Burke, Pittsburgh, United States

CS 1.3 Best Practices in Meeting Urban Health Challenges

Room: Cypress 1

Chair: Patricia O'Campo

15:30/15:42

Culturally appropriate delivery of asthma management education via community health workers: Findings from a Chicago-based intervention
Melissa A Gutierrez, Chicago, United States

15:42/15:54

Development equity assessment indicators in urban areas; Empirical methodology framework
Mohsen Asadi-Lari, Tehran, Iran

15:54/16:06

Public health interventions to reduce urban health inequalities during heat episodes
Kate L. Bassil, Burnaby, Canada

16:06/16:18

Health providers against poverty: Evidence and interventions
Michael Schwandt, Toronto, Canada

16:18/16:30

Behavior change: A tool to improve public health care systems
Sushma Shende, Mumbai, India

16:30/16:42

The healthy public policy journey: A communication, health & environment model
Charles-Antoine Rouyer, Toronto, Canada

16:42/16:54

From silos to systems: Integral capacity building - A model for healthy municipal governance
Jodi Mucha, Victoria, Canada

CONFERENCE PROGRAM TIMETABLE

WEDNESDAY, OCTOBER 29th, 2008

CS 1.4 Drug Use, Mental Health and the Urban Environment

Room: Ballroom D

Chair: Sandro Galea and Yonette Thomas

15:30/15:42

Factors contributing to sustained cessation from heroin use: Findings from the CHANGE study

Jonathon Gass, New York, United States

15:42/15:54

Overdose experiences and responses

Kathryn A Dong, Edmonton, Canada

15:54/16:06

"Your name carries weight": The impact of Hurricane Katrina on drug use behaviors among evacuees in Houston

Alice Cepeda, Houston, United States

16:06/16:18

Access to health and social services for homeless crack cocaine users in Toronto, Canada

Erika Khandor, Toronto, Canada

16:18/16:30

Innovations in addiction services: Applying community partnerships to develop and implement cultural and ethnic addiction services

Felix P Munger, Toronto, Canada

16:30/16:42

A systematic review of interventions to improve delivery of health care to HIV-infected injection drug users

Ahmed Bayoumi, Toronto, Canada

16:42/16:54

One way bridge or two-way street? Male injectors trading sex as an HIV transmission bridge - An exploratory analysis in Tijuana, Mexico

Melanie Rusch, La Jolla, United States

CONFERENCE PROGRAM TIMETABLE

WEDNESDAY, OCTOBER 29th, 2008

CS 1.5 **Community Approaches to Urban Health**

Room: Ballroom E

Chair: Robb Travers

15:30/15:42

Community and cultural resources in case management for Aboriginal populations who experience concurrent mental health and substance abuse: A realist approach to synthesizing evidence

Michelle Firestone, Toronto, Canada; Jessica Hill, Toronto, Canada

15:42/15:54

Documenting evidence of diabetes disparities among South Asians in New York City

Nadia S Islam, NY, United States

15:54/16:06

Improving heart health access for Filipino Americans using innovative outreach strategies and research methodologies (a community-based participatory research project)

Rhodora Ursua, New York, United States

16:06/16:18

Peer approach key to improving commercial sex workers' (CSWs) sexual health

Nakanwagi Faridah, Kampala, Uganda

16:18/16:30

Toronto's multi-faith alliance to end homelessness: A powerful intervention in urban health

Brenda Roche, Toronto, Canada; Richard Blickstead, Toronto, Canada

16:30/16:42

Using interventionist media in inner-city health: A case study

Joanne C. Walsh, Toronto, Canada

16:42/16:54

Evaluating the community food action initiative - A population health approach to food security

Deepthi R Jayatilaka, Vancouver, Canada

CONFERENCE PROGRAM TIMETABLE

WEDNESDAY, OCTOBER 29th, 2008

CS 1.6 **Urban Health from a Global Perspective / Migration**

Room: Ballroom F

Chair: Kate Shannon

15:30/15:42

Overweight and obesity in urban Africa: Disease of the poor or the rich?

Jean Christophe Fotso, Nairobi, Kenya

15:42/15:54

ASPIRE: Advances in screening and prevention for reproductive cancers: An international women's health initiative in Kampala, Uganda

Gina Ogilvie, Vancouver, Canada

15:54/16:06

Socioeconomic position and pattern of under-and over-nutrition in Pakistan

Naveed Z Janjua, Karachi, Pakistan

16:06/16:18

Governance vs politics for urban health. Or are they the same?

Carles Muntaner, Toronto, Canada; Francisco Armada, Kobe, Japan

16:18/16:30

Access to urban public health services for international migrants, including refugees and asylum seekers: Experiences from South Africa

Joanna Vearey, Johannesburg, South Africa

16:30/16:42

Voluntary termination of pregnancy (TOP) and reproductive health in undocumented migrants

Hans Wolff, GENEVA, Switzerland

16:42/16:54

Homelessness and immigration in Toronto: A comparison of the health of homeless recent immigrants, non-recent immigrants, and Canadian-born individuals

Stephen Wesley Hwang, Toronto, Canada

15:30/17:00 – CONCURRENT WORKSHOP SESSIONS

**CWS 1.1 Bevel Up: Drugs Users and Outreach Nursing
– an educational resource for people working with
people who use drugs**

Room: Oak 1

*James Tigchelaar, Vancouver, Canada; Fiona Gold, Vancouver, Canada;
Elaine Jones, Vancouver, Canada*

**CWS 2.1 Unique Applications to Measure Performance
Management**

Room: Oak 2

Environics Analytics

Rupen Seoni, Toronto, Canada

CWS 1.3 Mental Health & Homelessness

Room: Prospect

Moderator: Bernie Paillé, Victoria, Canada

Hosted by the Canadian Population Health Initiative
(Canadian Institute for Health Information)

*Jim Frankish, Vancouver, Canada; Timothy Crooks, Halifax, Canada;
Elizabeth Votta, Ottawa, Canada*

**CWS 1.4B Public Housing Relocation of Residents:
A Case Study of Atlanta**

Room: Cypress 2

Georgia State University

*Erin Ruel, Atlanta, United States; Deirdre Oakley, Atlanta, United States; Murugi
Ndirangu, Atlanta, United States; John Steward, Atlanta, United States; Richard
Rothenburg, Atlanta, United States*

CONFERENCE PROGRAM TIMETABLE

WEDNESDAY, OCTOBER 29th, 2008

17:30/20:00 – WELCOME RECEPTION / EXHIBIT & POSTER VIEWING

Grand Ballroom Foyer

PS 1 **Poster Session I - 17:30/20:00**
Aging & Health in Urban Setting
Adolescent and Child Health
Best Practices in Meeting Urban Health Challenges
Community Approaches to Urban Health
Diversity and Urban Health
Enforcement, Security and Urban Health
Urban Physical Environment and Health

Room: Grand Ballroom Foyer

Poster #

- 1** **Edutainment in urban centers**
Elizabeth N. Maina, Nairobi, Kenya
- 2** **Assessing domestic fall risk among independently living older adults in NYC**
Sheryl Strasser, Atlanta, United States
- 3** **Meaning attributed to grandparents by children**
Maria Adelaide Silva Paredes Moreira, Joao Pessoa, Brazil
- 4** **Gender differences in depressive symptoms of aging Chinese in urban Jiangsu in China**
Daniel W.L. Lai, Calgary, Canada
- 5** **Digital storytelling in the arts health and seniors project; The independence, narratives and health in older adults**
Patricia A. Fraser, Vancouver, Canada
- 6** **Dietary patterns of urban children of India: A bio-chemical analysis & behavioural management**
Rishi Kumar Nigam, Bhopal, India

PS 1 **Poster Session I - Continued**

Poster #

- 7** **A needs-base approach to fight HIV/AIDS among vulnerable youth in urban areas in Guyana - How are the health, social and environmental needs of disadvantaged children and adolescents met and what strategies exist to address this?**
Marcia Anama Bassier-Paltoo, Georgetown, Guyana
- 8** **Childhood injury: A study of neighbourhood socioeconomic influences in Toronto, Ontario**
Tanya R. Morton, Toronto, Canada
- 9** **Vulnerability of street children to sexually transmitted diseases and HIV infection in Kathmandu, Nepal**
Deepak Thapa, Kathmandu, Nepal
- 10** **Knowledge and attitudes of students towards HIV/AIDS**
Muhammad Munir, Quetta, Pakistan
- 11** **Nargileh and cigarette smoking practices among urban school students: Results from Beirut- Lebanon**
Ban Al-Sahab, Toronto, Canada
- 12** **Stroke public awareness project for the elderly and marginalized population in downtown Toronto (S-PAP)**
Veron L. Ash, Brampton, Canada
- 13** **Building evidence for a local leadership model for urban health in Bangladesh**
Michelle Kouletio, New York, United States
- 14** **Partnership working to meet urban health challenges in the UK: The Manchester blood borne virus research team**
Will J R Morton, Manchester, United Kingdom
- 15** **Case management: The acute care medicine solution to urban health challenges**
Carita Valentini, Toronto, Canada
- 16** **Participatory research and evaluation: Collective community action for urban health programming**
Rajesh Lamichhane, Kathmandu, Nepal

CONFERENCE PROGRAM TIMETABLE

WEDNESDAY, OCTOBER 29th, 2008

PS 1 Poster Session I - Continued

Poster

- 17 **Urban planners' knowledge of health and well-being issues: A New Zealand perspective**
Kerrie Duncan, Wellington, New Zealand
- 18 **The women's health information project: Locating and translating evidence for women who use drugs in the downtown eastside**
Amy Salmon, Vancouver, Canada
- 19 **Preferences of indoor sex workers for accessing sexual health care and information**
Sarah Levine, Vancouver, Canada
- 20 **Research, policy and program innovation for urban health in Ontario: Case studies from the Ontario Ministry of Health and Long-Term Care**
Sarah Caldwell, Toronto, Canada
- 21 **Barriers to accessing health care in hepatitis C infected individuals using services for the homeless in Toronto**
Anushiya Ganeshalingam, Toronto, Canada
- 22 **Challenges in the development of new instruments for non-mainstream populations: Some examples from the QoLHHI impact survey**
Lara B Russell, Vancouver, Canada
- 23 **Moving justice for "some" back to "and justice for all..."**
Amy Rose Clithero, Albuquerque, United States
- 24 **Access to postpartum depression care in Buffalo, NY: Racial considerations**
Kimberley Zittel-Palamara, Buffalo, United States
- 25 **A new measure of quality of life: Results from a pilot study of the health section of the quality of life for homeless and hard-to-house individuals (QoLHHI) survey**
Lara B Russell, Vancouver, Canada

CONFERENCE PROGRAM TIMETABLE

WEDNESDAY, OCTOBER 29th, 2008

PS 1 Poster Session I - Continued

Poster

- 26 **Designing cities for cycling**
Meghan Winters, Vancouver, Canada
- 27 **Moving right along: Transportation, public health and social equity**
Sherrill Johnson, Edmonton, Canada
- 28 **Evaluating the effectiveness of knowledge translation of land use planning terms and processes to health professionals**
Jane Mccarney, Burnaby, Canada
- 29 **Getting into the kitchen: Housing, kitchen access, and nutrition of women in Vancouver's downtown eastside**
Nadia Formigoni, Toronto, Canada
- 30 **A municipal-public health partnership project to develop a municipal walkability strategy in Edmonton, Alberta, Canada**
Marie S Carlson, Edmonton, Canada
- 31 **Creating a relevant research method to healthcare design with action research, morphological method and evidence based design**
Teri Hason, Toronto, Canada; Jamie Holmer, Toronto, Canada
- 32 **Don't let the bed bugs bite: A community guide to living with bed bugs**
Suzan Irene Krieger, Vancouver, Canada
- 33 **Can urban areas close to sugarcane production be healthy?**
Helena Ribeiro, São Paulo, Brazil
- 34 **A commitment to our community: Integrating a multidisciplinary home visit component into an urban family medicine residency curriculum**
Heather Klusaritz, Philadelphia, United States

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

07:30/08:45 - NETWORKING BREAKFAST / EXHIBIT & POSTER VIEWING

Grand Ballroom Foyer

SPONSORED BY THE HEART & STROKE FOUNDATION OF CANADA

PS 2 **Poster Session II - 07:30/10:30**
Adolescent and Child Health
Best Practices in Meeting Urban Health Challenges
Community Approaches to Urban Health
Diversity and Urban Health
Drug Use, Mental Health and Urban Environment
Migration
Urban Health from a Global Perspective
Urban Social Environment and Health

Room: Grand Ballroom Foyer

Poster #

- 1** **Addressing youth homelessness: A web-based strategy for knowledge transfer**
Sean A. Kidd, Hamilton, Canada
- 2** **Inconsistencies in self-reporting of sexual activity among the young people in Nairobi (Kenya)**
Ousmane FAYE, Nairobi, Kenya; Caroline W Kabiru, Nairobi, Kenya
- 3** **Adolescent and child health**
Sonia Andhi Bilkhu, Vancouver, Canada
- 4** **Monitoring child growth: Challenges, lessons and findings from the Nairobi urban health and demographic surveillance system**
Jean Christophe Fotso, Nairobi, Kenya
- 5** **Knowledge development and application in a regional health organization: Pitfalls and prospects in the Edmonton area**
Brian D Ladd, Edmonton, Canada
- 6** **An inner city orthopaedic unit's successful implementation of an osteoporosis assessment and treatment program after fragility fracture**
Earl R Bogoch, Toronto, Canada

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

PS 2 Poster Session II - Continued

Poster

- 7** **Social determinants and possibilities for participation in public policy**
Alejandra Sánchez Cabezas, Don Torcuato, Argentina
- 8** **The East Toronto Hepatitis C Program: An innovative, interdisciplinary, community-based treatment program for Hepatitis C positive drug users**
Jason Altenberg, Toronto, Canada; Calvin Henschell, Toronto, Canada; Zoe Dodd, Toronto, Canada; Emmet O'Reilly, Toronto, Canada
- 9** **Managing up! Making a difference through strategic policy action**
Carla Spinola, Edmonton, Canada
- 10** **Healthy urbanization project - Early lessons for community and multisectoral participation**
Francisco Armada, Kobe, Japan
- 11** **Professional burnout syndrome in a province of Argentina**
Alejandra Sánchez Cabezas, Don Torcuato, Argentina

Holley A Wilkin, Atlanta, United States
- 13** **Community based tracking and monitoring for improving health outcomes in Agra**
S Kaushik, New Delhi, India
- 14** **Increasing access to language appropriate medication information for immigrant New Yorkers: A pilot intervention study**
Jonathon Gass, New York, United States
- 15** **Diversity in health challenges across cities in India: Need for context specific response**
S Kaushik, New Delhi, India
- 16** **Subjective age, age satisfaction, and self-rated health in adults who are homeless or vulnerably housed**
Anita M. Hubley, Vancouver, Canada

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

PS 2 Poster Session II - Continued

Poster

- 17 **Access to primary care among homeless people within a system of universal health insurance**
Stephen Wesley Hwang, Toronto, Canada
- 18 **Development of an intimate partner violence intervention for urban HIV positive women**
Jessica G Burke, Pittsburgh, United States
- 19 **Lesson's learned, Rainbow Services: Queer addiction programming, activism and models of treatment**
Jim Cullen, Toronto, Canada
- 20 **The cost-effectiveness of heroin addiction interventions: A review**
Tawnya Hansen, Toronto, Canada
- 21 **Treatment of HCV in injection drug users: A novel model incorporating multidisciplinary care, peer-support and directly observed therapy**
Fiona Duncan, Vancouver, Canada
- 22 **The impact of the pharmacy syringe access program in Seattle, Washington**
Beth Appert, Corvallis, United States
- 23 **Needle exchanges are a start: Lessons from current efforts in the US**
Jeanette Somlak Pedersen, Vancouver, Canada
- 24 **Association between parental factors and adolescent initiation of marijuana and alcohol among heroin, crack and cocaine users in New York City, 2006-2007**
Kandice Jones, New York, United States
- 25 **Mental health and addiction issues and health service needs of people living with HIV/AIDS in Ontario: The Positive Spaces, Healthy Places Study**
Sean B. Rourke, Toronto, Canada
- 26 **Compassion clubs: Quasi-legal community-based medical cannabis distribution and harm reduction**
Rielle Capler, Vancouver, Canada

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

PS 2 Poster Session II - Continued

Poster

- 27 **Maintaining integration or enforcing segregation – What is best? The public health implications of a camp based response to urban refugees in a time of emergency: Experiences from South Africa**
Joanna Vearey, Johannesburg, South Africa
- 28 **Psychosocial assessment of displaced young girls: Findings from a household survey in an urban setting in Lebanon**
Nathalie Choueiry, Beirut, Lebanon
- 29 **Culture and rural-urban migration**
Peter Gikonyo Muya, Nairobi, Kenya
- 30 **Waste recycling for urban agriculture in Kampala, Uganda: Mapping community health hazards**
Suzannah Bennett, Toronto, Canada
- 31 **Could urbanization impact the blood supply?**
Fernando Augusto Proietti, Belo Horizonte, Brazil
- 32 **Attitudes to menopause and a needs assessment for menopausal clinics among women in an urban community in Southwestern Nigeria**
Funmilola M. OlaOlorun, Ibadan, Nigeria
- 33 **Socioeconomic position and self rated health during pregnancy in urban Pakistani women**
Naveed Z Janjua, Karachi, Pakistan
- 34 **Environmental and health impact of household solid waste handling and disposal methods in African urban cities: Case of Ibadan metropolis**
Adeyinka Tubosun Idowu, Ibadan, Nigeria
- 35 **The built environment as a tool for global health in the face of climate change: Discussion of the new sanctuary approach**
John Hu, Burnaby, Canada
- 36 **Internet use by clients in an urban provincial STI clinic**
Gina Ogilvie, Vancouver, Canada

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

PS 2 Poster Session II - Continued

Poster

- 37** **Burden of life style risk factors in a transition society in Kerala, India**
Leena K B, Trivandrum, India
- 38** **Mapping dignity: The cartography of dignity in the city**
Nora Jacobson, Toronto, Canada
- 39** **Migration and Morbidity pattern among urban slum community of Chandigarh Union Territory of India.**
Jarnail S Thakur, Chandigarh, India
- 40** **Stories of resiliency rather than "illness": Urban aboriginal women living with HIV**
Donna M Hill, Richmond, Canada
- 41** **Unique Applications to Measure Performance Management**
Rupen Seoni, Toronto, Ontario
- 42** **Community-based intervention (healthy cities approach) a major tool for adolescent sexual health problems a case study of Kyotera Town Council**
Ddungu Simon, Kampala, Uganda

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

09:00/10:00 – PLENARY SESSION

PLS 2 **Plenary Session**
Room: Grand Ballroom ABC

09:00/09:30

Keynote Speaker

Jacob Kumaresan, Kobe, Japan

09:30/10:00

Keynote Speaker

Roderick J Lawrence, Geneva, Switzerland

Interdisciplinary and Transdisciplinary Approaches: challenges for actors in the public and private sectors

10:00/10:30 - NUTRITION BREAK / EXHIBIT & POSTER VIEWING

Grand Ballroom Foyer

SPONSORED BY THE BC CENTRE FOR EXCELLENCE IN HIV/AIDS

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

10:30/12:00 – CONCURRENT SESSIONS

CS 2.1 Adolescent and Child Health

Room: MacKenzie

Chair: Darlene Taylor

10:30/10:42

The inter-temporal relationships between childhood asthma and obesity

Tiffany L. Green, Madison, United States

10:42/10:54

Spatial analysis of dental caries condition among dental service users at the public health system in Belo Horizonte, Minas Gerais, Brazil, 2000

Evanilde Maria Martins, Belo Horizonte, Brazil

10:54/11:06

Oral health and healthy cities: An analysis of intra-urban differentials in oral health outcomes in relation to “healthy cities” policies in Curitiba, Brazil

Simone Tetu Moysés, Curitiba, Brazil

11:06/11:18

Preventing childhood obesity: Socioeconomic, family, and cultural influences on healthy nutrition for disadvantaged youths

Sevgin Hunt, Elkridge, United States; Darryl W. Roberts, Baltimore, United States

11:18/11:30

Food intake of adolescents from 15 to 25 years of age in the city of Belo Horizonte, Brazil, according to anthropometric profile and the Index of Health Vulnerability

Waleska T Caiaffa, Belo Horizonte, Brazil

11:30/11:42

Childhood unintentional injuries in urban and rural communities in Newfoundland and Labrador, Canada

Reza Alaghebandan, St. John's, Canada

11:42/11:54

Living in the hood: Perspectives from urban black youth about their neighborhood

Scyatta A Wallace, Brooklyn, United States

CS 2.2

Urban Social Environment and Health

Room:

Seymour

Chair:

Danielle Ompad

10:30/10:42

Relationship between residential status and HIV risk behaviours among Montréal street youth (SY)

Élise Roy, Longueuil, Canada

10:42/10:54

Structural dynamics of gender-based violence against women in street-based sex work

Kate Shannon, Vancouver, Canada

10:54/11:06

Impact of environmental interventions and community participation in the control of dengue in the neighbourhood of Belo Horizonte City

José Eduardo Marques Pessanha, Belo Horizonte, Brazil

11:06/11:18

Results of a challenging outbreak investigation in British Columbia, Canada: Shigella sonnei in Vancouver's Downtown Eastside

Maritia Anne Gully, Vancouver, Canada

11:18/11:30

Self-rated health and neighbourhood physical and social characteristics

Fernando Augusto Proietti, Belo Horizonte, Brazil

11:30/11:42

Socio-cultural determinants of hepatitis B screening-behavior in the Turkish-Dutch population in the Netherlands

Ytje J.J. van der Veen, Rotterdam, Netherlands

11:42/11:54

Social support and depression: results from the SIRS cohort study, Paris area, 2005-2007.

Emmanuelle Cadot, Paris France

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

CS 2.3A **Neighbourhood Level Influences on Health**

Room: Cypress 1

Chair: Jessica Burke

10:30/10:42

Personal geographic range and HIV/STD transmission

Richard B Rothenberg, Atlanta, United States

10:42/10:54

Asthma and air pollution in the Bronx: Using the cadastral-based expert dasymetric system (CEDS) to improve population mapping and understanding the spatiality of disease in urban areas

Juliana A. Maantay, Bronx, United States

10:54/11:06

Compositional and contextual dimensions of neighbourhood and their relation to body mass index in older adults

John Beard, New York, United States

11:06/11:18

Exploring constructs related to neighbourhood social interaction through systematic social observations in Baltimore and Toronto

Nicole Schaefer-McDaniel, Toronto, Canada

11:18/11:30

Community asset mapping: A tool to promote population health

Ellen M Larcombe, Vancouver, Canada

11:30/11:42

Home is where the HAART is: An examination of the factors affecting neighbourhood perception for people living with HIV/AIDS

Alexis Palmer, Vancouver, Canada

11:42/11:54

Utility and feasibility of a rapid assessment tool for small area health needs in a metropolitan Canadian context

Hilary Gibson-Wood, Toronto, Canada

CS 2.3B **Urban Physical Environment and Health**

Room: Cypress 2

Chair: Stephen Hwang

10:30/10:42

Community in the balance: Community gardens, collective efficacy and health in Denver, Colorado

Jill Litt, Denver, United States

10:42/10:54

Are "activity-space" environments important for understanding racial/ethnic and socioeconomic disparities in obesity risk? A pilot study

Shannon N Zenk, Chicago, United States

10:54/11:06

Individual and socio-environmental determinants of overweight and obesity in urban Canada: A multi-level approach

Theodora Poulidou, Hamilton, Canada

11:06/11:18

Comparing the housing trajectories of different clusters within the homeless population in a Canadian city

Tim D Aubry, Ottawa, Canada

11:18/11:30

Coping with urban environmental stress for health and well-being: An empirical analysis of Bhopal city of India

Parul Rishi, Bhopal, India

11:30/11:42

Tools for healthy travel: A web-based bicycle trip planning tool for planners and the public

Meghan Winters, Vancouver, Canada

11:42/11:54

What happens over time: Housing and health experiences of foreign born and Canadian born respondents to the Panel Study on Homelessness

Fran Klodawsky, Ottawa, Canada

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

CS 2.4 Drug Use, Mental Health and the Urban Environment

Room: Ballroom D

Chair: Thomas Kerr

10:30/10:42

Disparities in health outcomes and social determinants of health between people living with HIV/AIDS in Ontario with and without HCV co-infection: The Positive Spaces, Healthy Places Study

Sean B. Rourke, Toronto, Canada

10:42/10:54

Drug dependence and crime: Healthcare trajectories associated with improved outcomes among clients of a drug treatment court

Julian Somers, Vancouver, Canada

10:54/11:06

Optimizing HCV treatment uptake in injection drug users: A novel model incorporating multidisciplinary care and peer-support

Fiona Duncan, Vancouver, Canada

11:06/11:18

Neighbourhoods and networks: Community, homophily, and drug use among urban gay men

Richard Carpiano, Vancouver, Canada

11:18/11:30

Housing and Supports for Adults in British Columbia with Severe Addictions and/or Mental Illness

Michelle Patterson, Vancouver, Canada

11:30/11:42

The role of pharmacies in increasing access to sterile syringes for injection drug users (IDUs) in New York City

Abby Rudolph, Baltimore, United States

11:42/11:54

The Tobacco Dependence Clinic (TDC): Providing smoking cessation for a drug treatment population

Milan Khara, Vancouver, Canada

CS 2.5 **Community Approaches to Urban Health**

Room: Ballroom E

Chair: Ajay Puri

10:30/10:42

Augmenting negotiation capacity of community leaders for delivery of health and related services

Prabhat Jha, New Delhi, India

10:42/10:54

My neighbourhood, my voice: Photovoice as a catalyst for community action

Elizabeth Kristjansson, Ottawa, Canada

10:54/11:06

Photovoice: An important tool to document social determinants of cardiovascular health in the Filipino community of New York City and Jersey City

Rhodora Ursua, New York, United States

11:06/11:18

Being the change: A participatory women's group intervention to improve maternal and newborn health and survival in the slums of Mumbai

Neena Shah More, Mumbai, India

11:18/11:42

Addressing the social context of hypertension management by engaging community through photovoice methodology

Maghboeba Mosavel, Cleveland, United States

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

CS 2.6 Urban Health from a Global Perspective / Migration

Room: Ballroom F

Chair: Jean Christophe Fotso

10:30/10:42

The persistent urban health challenges of migration and informal settlements in the context of HIV: Towards the development of a framework to guide local level developmental responses in Johannesburg, South Africa

Joanna Vearey, Johannesburg, South Africa

10:42/10:54

New and emerging infectious disease and global cities

Harris Ali, Toronto, Canada

10:54/11:06

Aging in a foreign land

Alex Kalache, New York, United States

11:06/11:18

Undocumented migrants in Geneva, Switzerland: Geographical origin vs. legal status as risk factor for tuberculosis

Hans Wolff, GENEVA, Switzerland

11:18/11:30

Are Asian and Pacific Islander women in Chicago receiving appropriate cancer screening? Results from 3 community health surveys

Lucy Guo, Chicago, United States

11:30/11:42

Urban-rural migration & health/quality of life in homeless people

Jim Frankish, Vancouver, Canada

10:30/12:00 – CONCURRENT WORKSHOP SESSIONS

**CWS 2.1 Session 1 - Every Breath You Take, Every Move You Make;
Changing Transit and Urban Planning To Improve Air
Quality and Cardiovascular Health**

Room: Oak 1

Co-Sponsored by the Heart & Stroke Foundation of Canada (HFSC) and Bombardier
Foundation Canada (BFC)

Moderator: Stephen Samis, Ottawa, Canada

Ugo Lachapelle, Vancouver, Canada; Lawrence Frank, Vancouver, Canada;

Julian Marshall, Minnesota, United States

**CWS 2.2 Healthy Neighbourhoods by Design: Health Impacts of
Neighbourhood Attributes**

Room: Oak 2

Canada Mortgage and Housing Corporation (CMHC)

James R Dunn, Toronto, Canada; Robert Gifford, Victoria, Canada;

Fanis Grammenos, Ottawa, Canada

CWS 2.3 Interventions to Improve Youth Sexual Health

Room: Prospect

Jean Shoveller, Vancouver, Canada; Judith Soon, Vancouver, Canada;

Shira Goldenburg, San Diego, United States

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

12:00/13:30 - BUFFET LUNCH / EXHIBIT & POSTER VIEWING

Grand Ballroom Foyer

PS 3 **Poster Session III - 12:00/15:00**
Adolescent and Child Health
Best Practices in Meeting Urban Health Challenges
Community Approaches to Urban Health
Drug Use, Mental Health and Urban Environment
Environmental Health & Justice in Urban Settings
Migration
Urban Social Environment and Health

Room: Grand Ballroom Foyer

Poster #

- 1** **Knowledge and attitude towards utilization of cervical cytology screening among women in Ibadan, Nigeria**
Olubunmi Olabisi Adetule, Ibadan, Nigeria

- 2** **HIV/STD risk and substance use in a cohort of Bronx youth**
Brenda Chabon, Bronx, United States

- 3** **Initial gynecological health care experiences of urban African American adolescent girls - Implications for providers**
Lari Warren-Jeanpiere, Atlanta, United States

- 4** **Teenage pregnancy in Stevenage - Reducing the inequalities**
Saurabh Gupta, Hertfordshire, United Kingdom

- 5** **Addressing Inequities: Translating knowledge into practice**
Charlene Phung, Burnaby, Canada

- 6** **A pilot study on life style among urban dwellers**
Nesrin Cilingiroglu, Ankara, Turkey

- 7** **Intersectoral action for health: Promoting health in urban communities through intersectoral collaboration, participatory approaches, and effectiveness evaluation**
Simone Tetu Moysés, Curitiba, Brazil

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

PS 3 Poster Session III - Continued

Poster

- 8 Patient safety and systematic reviews: Finding papers on MEDLINE and EMBASE**
Affaud Anais Tanon, Montréal, Canada
- 9 Intersectoral collaboration in the area of urban health: Results of a qualitative research in selected healthy cities in Poland**
Janusz Haluszka, Krakow, Poland
- 10 Supporting nicotine addicted patients in a non-smoking environment**
Jane McCall, Vancouver, Canada
- 11 The nursing role in an interdisciplinary outpatient HIV clinic: The whole is greater than the sum of its parts**
Liz Kirkpatrick, Vancouver, Canada
- 12 The VANDU women clinic action research for empowerment study: Participatory action research as a strategy to address stigma and discrimination in primary healthcare**
Amy Salmon, Vancouver, Canada
- 13 A Community-based participatory approach to a social marketing campaign that raises hepatitis B awareness in Asian American communities: Methodological issues and best practices for formative data collection**
Laureen Hom, New York, United States
- 14 Promoting cardiovascular health: Shifting focus from individuals to community**
Henrietta C Ho-Asjoe, New York, United States
- 15 Walking in the community-participative experiences of Tainan healthy city project**
Linda Lin, Tainan, Taiwan, Republic of China
- 16 Building the capacity of community health workers to address Filipino heart health in New York City and New Jersey**
Rhodora Ursua, New York, United States

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

PS 3 Poster Session III - Continued

Poster

- 17 **Health and mental health needs of trauma survivors: Implications for community-based research and advocacy**
Douglas N Le, New York, United States
- 18 **Remote telemedicine in urban settings: Prognostic value of chest pain - Minas telecardio project**
Clareci Silva Cardoso, Belo Horizonte, Brazil
- 19 **The street health report 2007: Community-based research and advocacy on the health status and health care access of homeless people in Toronto**
Erika Khandor, Toronto, Canada
- 20 **Measuring the mental health of Arab youth: A case study from Lebanon**
Rima Nakkash, Beirut, Lebanon
- 21 **Intensive case management for adults with severe addictions, mental illness and involvement in the corrections system: A qualitative study of therapeutic agents of change**
Michelle Patterson, Vancouver, Canada
- 22 **Women, drug use & sex work: Women's harm reduction & community safety project, 2007**
Molly Bannerman, Toronto, Canada
- 23 **Methamphetamine initiation among HIV-positive gay and bisexual men**
Nadine Nakamura, La Jolla, United States
- 24 **Effective, user-driven harm reduction programming**
Molly Bannerman, Toronto, Canada
- 25 **Effect of genetic polymorphisms in the protease gene on the virologic response to HAART regimens including ritonavir-boosted protease inhibitors (PIs)**
Brian Conway, Vancouver, Canada

PS 3 **Poster Session III - Continued**

Poster #

- 26** **The potential population impact of increasing the use of methadone on heroin-user deaths and of reducing cigarette smoking on asthma events**
Arpana Verma, Manchester, United Kingdom
- 27** **Factors influencing waste management in Jinja municipal council (JMC)**
Ronald Lutwama, Kampala, Uganda
- 28** **Excreta, solid waste disposal and water supply in urban centres in Rakai**
Ronald Lutwama, Kampala, Uganda
- 29** **Environment and health inequalities of women in different neighbourhoods of metropolitan Lagos, Nigeria**
Immaculata I C Nwokoro, Lagos, Nigeria
- 30** **Spatial data integration for global and local assessments of environmental equity in major Canadian cities**
Thoreau Rory Tooke, Vancouver, Canada
- 31** **Health and living conditions of migrants with a precarious status in Montreal: Review of the situation & possible solutions**
Zoé Brabant, Montreal, Canada
- 32** **Migration into Nairobi: Evidence from ten-year migration histories**
Ousmane Faye, Nairobi, Kenya; Caroline W Kabiru, Nairobi, Kenya
- 33** **Falling short: Factors associated with HIV testing among Canada's Aboriginal population**
Alexis K Palmer, Vancouver, Canada
- 34** **Making sense: Communicating neighbourhood indicators data on health and social environment to local communities**
Marc Ferland, Quebec, Canada
- 35** **Social support buffers the negative effects of HIV-related stigma on health-related quality of life in the OHTN cohort study**
Sergio Rueda, Toronto, Canada

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

PS 3 Poster Session III - Continued

Poster

- 36 **Exploring the roles of urban municipal governments in addressing population health inequities: A census of opinions of politicians and senior-level staff**
Patricia Collins, Burnaby, Canada
- 37 **The social production of healthy public space**
Alexis Kane Speer, Toronto, Canada
- 38 **Urban poverty and health challenges in rapidly growing cities in developing countries: Reflections from the perspective of the most vulnerable living in informal settlements in Johannesburg, South Africa**
Simon Mporetji, Johannesburg, South Africa
- 39 **Intake of nutrition supplements amongst people exercising in gyms**
Waleska T Caiaffa, Belo Horizonte, Brazil
- 40 **Air pollution and BTEX: A case study in Quito, Ecuador**
Raul E. Harari, Quito, Ecuador
- 41 **Reasons for and consequences of choosing informal over formal health care providers by extremely poor people in urban Bangladesh**
Asfia Azim, Dhaka, Bangladesh
- 42 **Substance abuse and associated factors among the fishing communities of Ggaba town centre**
Patrick Sembuse Emmanuel Ndawula Ndawula, Kampala, Uganda
- 43 **Lessons learned from the SCORE project: Efficacy of an outreach and education initiative related to safer crack use**
Jane Buxton, Vancouver, Canada
- 44 **Promoting HIV/AIDS and sexual reproductive health rights (SRHR) in Kalisizo town council**
Ssemambo Nelson, Kampala, Uganda

13:45/14:30 – PLENARY SESSION

PLS 3 **Plenary Session**
Room: Grand Ballroom ABC

13:45/14:00

Guest Speaker

The Honorable Mary Polak, Minister of Healthy Living and Sports

14:00/14:30

Keynote Speaker

Anthony Zwi, Sydney, Australia

Cities in Crisis – Voices from the Asian Periphery...

14:30/15:00 – BUFFET LUNCH / EXHIBIT & POSTER VIEWING

Grand Ballroom Foyer

SPONSORED BY THE CANADIAN POPULATION HEALTH INITIATIVE
(CANADIAN INSTITUTE FOR HEALTH INFORMATION)

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

15:00/16:30 – CONCURRENT SESSIONS

CS 3.1 Urban Physical Environment and Health

Room: MacKenzie

Chair: David Vlahov

15:00/15:12

Maternal health in resource-deprived urban settings: Do women's autonomy and perceived quality of and access to care influence their utilization of obstetric care services?

Jean Christophe Fotso, Nairobi, Kenya

15:12/15:24

Mediator, moderator, or catalyst? Theoretical exploration of the relationship between transit use, walking and the built environment

Ugo Lachapelle, Vancouver, Canada

15:24/15:36

Hot weather and air pollution – A global problem

Mona Shum, Vancouver, Canada

15:36/15:48

Access to health care for homeless people with hepatitis C in Toronto, Canada

Kate Mason, Toronto, Canada

15:48/16:00

A surveillance system to detect heat-related illness in a Canadian urban centre

Kate L. Bassil, Burnaby, Canada

16:00/16:12

Deindustrialization and socioeconomic deprivation in the Baltimore-Towson metropolitan statistical area, 1980-2000

Arijit Nandi, Owings Mills, United States

16:12/16:24

The power of the performance and quality improvement approach: Building trust and community ownership for improved healthcare in African informal settlements

Stuart Merkel, Baltimore, United States

CS 3.2 Aging and Health in Urban Settings / Diversity and Urban Health

Room: Seymour
Chair: Arnoud Verhoeff

15:00/15:12

Making cities age-friendly
Alex Kalache, New York, United States

15:12/15:24

Assessing the health state/disability score of the elderly in the slums: An analysis using the frontier method
Ousmane Faye, Nairobi, Kenya

15:24/15:36

Using geographic information systems to inform policy development: The example of age-friendly New York City
John Beard, New York, United States

15:36/15:48

Disparities in health outcomes and social determinants of health between Aboriginal and Caucasian people living with HIV/AIDS in Ontario
Laverne Monette, Toronto, Canada

15:48/16:00

Discourses on improving youth sexual health
Jean Shoveller, Vancouver, Canada

16:00/16:12

Differences in social and health determinants between First Nations and Non-First Nations Aboriginal people living with HIV/AIDS in Ontario: The Positive Spaces, Healthy Places Study
Laverne Monette, Toronto, Canada

16:12/16:24

Direct and indirect effect of social support on health-related quality of life among people living with HIV/AIDS in Ontario: The Positive Spaces, Healthy Places Study
Tsegaye Bekele, Toronto, Canada

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

CS 3.3 **Best Practices in Meeting Urban Health Challenges**

Room: Cypress

Chair: Jim Frankish

15:00/15:12

Estimated number of overdose deaths averted by a supervised injection facility in Vancouver, Canada

M-J Milloy, Vancouver, Canada

15:12/15:24

Community risk pooling in urban slums of Agra to meet health expenditure

Prabhat Jha, New Delhi, India

15:24/15:36

Health equity in the urban context: A review of assessment and response tools

Francis Grenier, Kobe, Japan

15:36/15:48

Use of participatory action research methodology in disaster research

Robyn Gershon, New York, United States

15:48/16:00

Urbanization Influence on Health Quality in Albania

Mirela Lulati, Tirana, Albania

16:00/16:12

Comparative assessment of noise related health conditions prevalent among machinists in Ibadan, Nigeria

Ikenna Emmanuel Enweasor, Ibadan, Nigeria

CS 3.4 Drug Use, Mental Health and the Urban Environment / Enforcement, Security and Urban Health / Environmental Health and Justice in Urban Settings

Room: Ballroom D
Chair: Ahmed Bayoumi

15:00/15:12

The context of illicit drug overdose deaths in Vancouver and BC
Jane A Buxton, Vancouver, Canada

15:12/15:24

Opioid-dependent medical inpatients treated with buprenorphine
Brenda Chabon, Bronx, United States

15:24/15:36

Tobacco use among illicit drug users: Do escalating taxes make a difference?
Danielle Ompad, New York, United States

15:36/15:48

The impact of ongoing illicit drug use on virologic suppression in HIV-infected injection drug users receiving HAART
Harout K Tossonian, Vancouver, Canada

15:48/16:00

ICPC- coded health problems of detainees in Switzerland's largest remand prison
Hans Wolff, GENEVA, Switzerland

16:00/16:12

Explaining unanticipated success: The case of lead poisoning in Detroit
Mark Sorbo, Detroit, United States; Lyke Thompson, Detroit, United States

16:12/16:24

Health promoting inner city environments: Toward a participatory research partnership to reduce environmental inequities and promote health in Vancouver's downtown eastside
Alexis Crabtree, Vancouver, Canada

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

CS 3.5 **Urban Social Environment and Health**

Room: Ballroom E

Chair: Patricia O'Campo

15:00/15:12

Examining the public's level of support for government addressing social and economic policy in order to improve health in the U.S.

Stephanie A. Robert, Madison, United States

15:12/15:24

Silicosis in the city: A case study in Quito, Ecuador

Raul E. Harari, Quito, Ecuador

15:24/15:36

Inequalities in maternity care and newborn mortality among slum residents in Mumbai: A prospective study

Neena Shah More, Mumbai, India

15:36/15:48

Labour force participation is associated with health outcomes in the OHTN cohort study

Sergio Rueda, Toronto, Canada

15:48/16:00

Development and pilot test of project DiSH – A novel HIV risk reduction intervention targeted to African-American MSM

Sebastian Bonner, New York, United States

16:00/16:12

Urban health promotion in Curitiba, Brazil

Simone Tetu Moysés, Curitiba, Brazil

16:12/16:24

"Sisters in town": Risks and challenges of commercial sex workers in urban Ghana

Kofi Awusabo-Asare, Cape Coast, Ghana

CS 3.6 Adolescent and Child Health

Room: Ballroom F

Chair: Lyndall Strazdins

15:00/15:12

Push and pull factors: Evidence for distinct sub-populations of street youth in British Columbia

Richard Carpiano, Vancouver, Canada

15:12/15:24

Examining a history of child maltreatment in street-involved youth in Calgary, Canada

Bruce J. MacLaurin, Calgary, Canada

15:24/15:36

Structural factors associated with an increased risk of HIV and sexually transmitted infection transmission among street-involved youth

Brandon D.L. Marshall, Vancouver, Canada

15:36/15:48

Scaling up: Sexual and reproductive health services for urban young people in developing country public sector

Durga Bajgain, DHI, Nepal

15:48/16:00

Examining Pregnancy Experiences of Male and Female Street-Involved Youth

Catherine Worthington, Calgary, Canada

16:00/16:12

Trends in vaccine-induced immunity to hepatitis B among Canadian street-involved youth (1999-2005)

Ling Huang, Ottawa, Canada

16:12/16:24

Smoking among adolescents in an urban setting: A household survey

Waleska T Caiaffa, Belo Horizonte, Brazil

CONFERENCE PROGRAM TIMETABLE

THURSDAY, OCTOBER 30th, 2008

15:00/16:30 – CONCURRENT WORKSHOP SESSIONS

CWS 3.1 Session 2 – From Research to Policy to Action: Using Tools and Tool Kits to Create Health Promoting Communities

Room: Oak 1

Co-Sponsored by the Heart & Stroke Foundation of Canada (HFSC) and Bombardier Foundation Canada (BFC)

Moderator: Lawrence Frank, Vancouver, Canada

Gayle Burse, Brampton, Canada; Karen Wolf, King County, United States; Stephen Samis, Ottawa, Canada

CWS 3.2 Community Capacity in the 2010 Olympic Games

Room: Oak 2

Rob VanWynsberghe, Vancouver, Canada

CWS 3.3 New Metrics of Urban Health and their Application in Public Policies and Services in Latin America

Room: Prospect

Public Health Agency Canada/Pan American Health Organization

Moderator: Marilyn Rice, Washington, DC, United States

Paulo Teixeira Piza, Washington, DC, United States; Trevor Hancock, Victoria, Canada; Paulo Capucci, Guarulhos, Brazil ; Carlos Castillo-Salgado, Baltimore, United States

CWS 3.4 Health and Well-being through Economic Empowerment in Dar es Salaam

Room: Cypress 2

International Centre for Sustainable Cities (ICSC)

Jane McRae, Vancouver, Canada

BUSINESS MEETINGS

Time: 16:30/17:30

Meeting: ISUH Board & Membership Meeting

Room: Grand Ballroom ABC

Time: 17:30/19:30

Meeting: President's Reception (Invitation Only)

Room: International Suite

07:30/08:45 - NETWORKING BREAKFAST/EXHIBIT & POSTER VIEWING

Poster #

1

Meeting the needs of young people for sexual and reproductive health information in Ghana

Kofi Awusabo-Asare, Cape Coast, Ghana

2

The impact of heavy adolescent smoking on adult educational attainment among African Americans: Using propensity score matching method

Carol Strong, Baltimore, United States

3

The nicotine dependence experiences of urban African American youth

Craig S. Fryer, Pittsburgh, United States

4

A review of alternative education programs in BC

Annie Smith, Vancouver, Canada

5

Green programmes in Nigerian schools and climate change

Olubunmi Olabisi Adetule, Ibadan, Nigeria

6

Healthy public policy: Lessons from the past from the health of towns and Gutenberg to today

Charles-Antoine Rouyer, Toronto, Canada

CONFERENCE PROGRAM TIMETABLE

FRIDAY, OCTOBER 31st, 2008

PS 4 Poster Session IV - Continued

Poster

- 7 **Hearing protection use in an urban population: Preliminary data**
Robyn Gershon, New York, United States
- 8 **More than just needles: An evidence-informed approach to enhancing harm reduction supply distribution in British Columbia**
Jane A Buxton, Vancouver, Canada
- 9 **Mental health promotion with refugee youth: Lessons learned from a pilot study**
Rima Nakkash, Beirut, Lebanon
- 10 **Correlates of infrequent HIV testing among drug users in NYC**
Kellee White, NYC, United States
- 11 **A picture is worth a thousand words: Illustrating spatial distribution of social environment and health indicators at the local level**
Michel Pageau, Quebec, Canada
- 12 **Diabetes control in relation to area-level sociodemographic factors in one urban Canadian center**
Jane Polsky, Toronto, Canada
- 13 **Access to and level of information on health care and nutrition and practices among extremely poor people in urban Bangladesh**
Asfia Azim, Dhaka, Bangladesh
- 14 **Operationalization of neighborhoods to study the relations between contextual factors and health**
Simone M. Santos, Rio de Janeiro, Brazil
- 15 **Urban deprived environment and depression: Contextual analysis of the SIRS cohort data, Paris metropolitan area, France, 2005**
Emmanuelle Cadot, Paris, France
- 16 **Assessing community health cohesion in disadvantaged neighborhoods of Port-au-Prince**
Guerda Debrosse, Petion-Ville, Haiti

PS 4 **Poster Session IV - Continued**

Poster #

- 17** **Neighbourhood stressors, perceived neighbourhood quality, and child mental health in New York City**
Nicole Schaefer-McDaniel, Toronto, Canada
- 18** **Community based groups (CBGs) can induce healthy maternal and child health (MCH) practices in the households**
Prabhat Jha, New Delhi, India
- 19** **Defining a neighborhood in a developing country**
Naveed Z Janjua, Karachi, Pakistan
- 20** **Community characteristics, individual attributes and health perception among older Canadians**
Walter Omariba, Ottawa, Canada
- 21** **Absence of regular gynecological follow-up in Paris metropolitan area: A mixture of both individual and neighborhood socio-economic factors**
Emmanuelle Cadot, Paris, France
- 22** **Individual and contextual characteristics associated to the functional limitation in Belo Horizonte, MG, 2002-2003 – A multilevel analysis**
Amelia Augusta L Friche, Belo Horizonte, Brazil
- 23** **A tale of two neighborhoods: survival among HIV-positive individuals prescribed HAART in Vancouver, British Columbia**
Eirikka Brandson, Vancouver, Canada
- 24** **Medical travel: A challenge for urban primary health care systems**
Jacob Kumaresan, Kobe, Japan
- 25** **Safe needles save lives: Improving the knowledge and practice of injection safety amongst student nurses of the University of Benin Teaching Hospital**
Kelvin Nosakhare Stewart, Benin, Nigeria

CONFERENCE PROGRAM TIMETABLE

FRIDAY, OCTOBER 31st, 2008

PS 4 Poster Session IV - Continued

Poster

- 26 **Non-communicable disease and tuberculosis burden in an urban cohort of 1,18,772 subjects in Kerala, India**
KB Leena, Trivandrum, India
- 27 **Luxurious living, green living, and healthy living: Comparative analysis of the Lullioshe hypothesis**
John Hu, Burnaby, Canada
- 28 **Urban health in developing countries: progress and prospects – Reflecting on interface challenges of international and national policy and realities of working on the ground**
Liz P Thomas, Johannesburg, South Africa
- 29 **The impact of compliance with international environmental law on urban health, using world cities as case studies**

Simona Baculea, Bucharest, Romania

09:00/10:00 – PLENARY SESSION

PLS 4 **Plenary Session**

Room: Grand Ballroom ABC

09:00/09:30

Keynote Speaker

Trudy Harpham, London, United Kingdom

Urban health in developing countries: What do we know and where do we go?

09:30/10:00

Keynote Speaker

Julio Montaner, Vancouver, Canada

Seek and Treat for Optimal Prevention of HIV/AIDS (STOP HIV/AIDS)

CONFERENCE PROGRAM TIMETABLE

FRIDAY, OCTOBER 31st, 2008

10:30/12:00 – CONCURRENT SESSIONS

CS 4.1 Adolescent and Child Health

Room: MacKenzie

Chair: Caitlin Johnston

10:30/10:42

Sex and relationships education in Nepal: Students, teachers and parents perceptions and preferences

Khem Bahadur Karki, Kathmandu, Nepal

10:42/10:54

The effect of neighbourhood on adolescent psychosocial adjustment in Quebec

Christelle Roustit, Paris, France

10:54/11:06

Factors related to undiagnosed asthma in urban adolescents

Sheryl Magzamen, Madison, United States

11:06/11:18

Transition into first sex among adolescents in slum and non-slum communities in Nairobi, Kenya

Caroline W Kabiru, Nairobi, Kenya

11:18/11:30

Youth diversionary projects: Challenges in evaluating the health effects of a social intervention

Elizabeth V Aston, Glasgow, United Kingdom

11:30/11:42

Epidemiology of traffic injuries among children and adolescents in urban areas, Newfoundland and Labrador, Canada

Reza Alaghebandan, St. John's, Canada

CS 4.2 **Aging and Health in Urban Settings / Diversity and Urban Health**

Room: Seymour
Chair: Waleska Caiaffa

10:30/10:42

Findings & lessons from the age-friendly New York City project
Julie Netherland, New York, United States

10:42/10:54

Place making that reflects quality of life issues
Rose Gilroy, Newcastle, United Kingdom

10:54/11:06

Integrated neighbourhood networks: Creating a regional vision
Sherin Rahim-Jamal, Vancouver, Canada

11:06/11:18

Acceptability of using computer-based interview technology with older adults: Pilot study results
Sheryl Strasser, Atlanta, United States

11:18/11:30

Differential health access of officially listed and unlisted slums
S Kaushik, New Delhi, India

11:30/11:42

Using GIS to map intervention conditions across diverse urban locations
Judith A. Soon, Vancouver, Canada

11:42/11:54

The strive for healthy cities' impact on the ageing, lifespan and health status of the fourth world populations
Jay Hill, Randwick, Australia

CONFERENCE PROGRAM TIMETABLE

FRIDAY, OCTOBER 31st, 2008

CS 4.3 **Best Practices in Meeting Urban Health Challenges**

Room: Cypress

Chair: David Vlahov

10:30/10:42

Establishing basic antenatal, postnatal, and neonatal (APN) services at the primary level: The process and challenges
Sushma Shende, Mumbai, India

10:42/10:54

Leveraging community power to mobilize government funding to address a silent epidemic: B free New York City (NYC)
Douglas N Le, New York, United States

10:54/11:06

Toronto's MDOT: Multi-Disciplinary Outreach Team – Innovative approach to engaging and assessing the absolute homeless
Jo L. Connelly, Toronto, Canada

11:06/11:18

New developments to prevent discharges to “no fixed address”
Cheryl Forchuk, London, Canada

11:18/11:30

Time kit: Addressing time impacts of health and environmental intervention
Lyndall Strazdins, Canberra, Australia

11:30/11:42

Policy-influencing practices among non-profits: Knowledge for health authorities seeking engagement with non-profits to reduce health inequities
François Gagnon, Montréal, Canada

11:42/11:54

Addressing the non-medical determinants of health: A Canadian perspective of regional health authorities and their partners
Jim Frankish, Vancouver, Canada

**CS 4.4 Drug Use, Mental Health and the Urban Environment /
Enforcement, Security and Urban Health /
Environmental Health and Justice in Urban Settings**

Room: Ballroom D
Chair: Mark Tyndall

10:30/10:42

Empowering street youth through knowledge integration at Dans la rue
Terri Hill, Montreal, Canada

10:42/10:54

Peer support using a mobile access van promotes safety and harm reduction strategies among sex trade workers in Vancouver's Downtown Eastside
Patricia A Janssen, Vancouver, Canada
